CHILD CARE APPLICATION

Colony West Swim Club provides for the use of swim club facilities for non-members who are either providing childcare for a member's child(ren) or for non-members who are minor children in the care of a member. This provision may also be used upon agreement of the member, for the non-member parent in situations of split or joint custody among divided families. In order for permission to be granted for such use of the Club, the following conditions must be met and the application and appropriate fee(s) be submitted to the club.

Conditions:

1. Non-members may use the club **ONLY** when in the company of the named Club member. **THIS IS NOT CONSIDERED A POOL MEMBERSHIP!**
2. Use of the club under the child care provisions is restricted to the days and hours stated on the application.
3. The **adult** Club member is responsible for the care and supervision of the non-member child(ren). **Non-member** children being cared for may **not** come to the pool only accompanied by the member's young child(ren).
